

## VACANCY

The Infrastructure and Development Bank of Zimbabwe (“the IDBZ/the Bank”) is a national Development Finance Institution (DFI) that supports infrastructure and development across all sectors of the economy. Its infrastructure focus is on Water and Sanitation, Housing, Irrigation Infrastructure, Transport and Energy. As part of its developmental mandate, the Bank offers financial & technical assistance to undertakings of all enterprises in furtherance of the National Development Agenda. As such, the Bank promotes the infrastructure value chain, agri-businesses, tourism, health & education, mining, export-oriented businesses, metals production, and the manufacturing sector. The Bank’s purpose is to uplift the livelihoods of all Zimbabweans through development financing.

To effectively execute its mandate, the Bank seeks to recruit the following personnel:
